Members Present: First Selectman Weik, Scott Pottbecker, Peter Longo,
Tim Benjamin, Connie Trolle

Meeting called to order at 6:31 pm by Scott Pottbecker. Minutes of the April 5, 2022 meeting were approved unanimously.

Scott was able to get the buoys and have been put in the lake. As additional buoys are installed, they will be repaired or replaced as needed. Plan to use nylon ropes this year.

The BLA boat has been serviced and is ready to go into the lake.

The interlocal committee met and the contractor has agreed to add rip rap to the shoreline and do the repairs suggested. It was discussed adding signage and buoys to advise the public of the jams. Scott will be the point person for the install or removal of the boards.

Meeting was adjourned at 6:50 pm.

Respectfully submitted,

Connie Trolle
