Meeting called to order at 6:32 pm by Scott Pottbecker. Minutes of the October 4, 2022 meeting were approved unanimously.

Peter reviewed the Treasurer's report (see attached). Peter will investigate opening a CD for part of the balance if he arranges better terms.

Scott has ordered and received handles to be installed on the boards for ease in installing. Boards are at the Litchfield Town Yard. He will install some of the boards in the next week and monitor the flow. There is not action on the addition of rip rap on the shoreline. Tom has received the "as built" for the jams and will send copies to the board.

The repair of the boat has been completed. PJ will put in the lake and test it in the next week or so. Scott would like to use to put the buoys in.

Nothing has been done about the no wake ordinance as yet. Connie will follow up with the DEEP.

As for the application for the regatta, set for April 15th. Scott will follow up with DEEP and Taft. He will keep up advised.

It is agreed that BLA will meet on the 1st Tuesday of each month at 6 pm from now to November. That schedule will be sent to Litchfield and Morris for posting.

There being no further business, the meeting was adjourned at 6:47 pm.
