Meeting called to order at 6:35 pm by Scott Pottbecker. Minutes of the June 7, 2022 meeting were approved unanimously.

Peter reviewed the Treasurer's report. Bank balance is \$103,385.00 as of today. The uncashed check from Litchfield will be reissued in amount of \$9433.00. No activity since last meeting

The BLA boat is now completed and will be checked out this weekend. Scott and Peter will be removing buoys by end of October. Vote to purchase 10 winter buoys approved and ordered. Matt will assist.

Raz has not gotten back to Scott about the rip rap to be added around the shoreline to help avoid erosion. We will determine if the original DEEP permit had that included. Raz has the signs and will put them in. Boards to be fitted with handles for safe removal and install. Boards will be scheduled to be removed in early November or as needed.

Discussion about proposed regulations on the lake for wake boarding. Representative from Lake Waramaug asked to work with BLA on this issue, which is statewide.

There being no further business, the meeting was adjourned at 7:20pm.

Respectfully submitted,

Connie Trolle
