

Bantam Lake Protective Association

Board of Directors Meeting

Morris Town Hall

October 20, 2022

7pm

AGENDA

1. Approval of previous minutes
2. Alum treatment project:
 - a. Dominic Meringolo from our contractor Solitude will discuss aspects of alum treatment for Bantam Lake. He will give his expertise and history in application at similar lakes and current research.
 - b. Larry Marsicano our consultant from AER will be on hand to review our research and recommendations.

We will have each give a quick update on this past summer treatments and testing prior to the alum project discussion.

- c. Bantam Lake Watershed Task Force update (Jamie)
- d. Update correspondence and any updates re Woodridge Sewer (Kathy)
- e. Plan for Spring Gala
- f. Nominating Committee
- g. Open discussion
- h. Adjourn

Received October 17, 2022 Laura Halloran Town Clerk
