2. **Application #385 – 127 Sawmill Road –** Nancy Moore for surfacing of driveway with cobblestones.

No one was present for the application. Commissioners reviewed the photographs submitted showing the length and width of the proposed addition of Belgin Block to a portion of the driveway. It was noted the length of block was more extensive than the curb cut of other historic houses in the district, but the area proposed is an uphill section of the driveway. The increased length is to prevent erosion.
