Learn More & Get your Free Starter Kit!

Save As You Throw Bags available in November at local retailers.

Litchfield is adding an optional trash drop-off service at the Recycling Center that could save you money while encouraging recycling and food-scrap separation.

Why Now?

Waste costs are expected to be going up in the next few years. Grant funding is helping Litchfield do something about it..

funding provided by the SSMR2 Grant administered by CT DEEP

Starting November 16

Sign up to get your free starter kit with food scrap collection pail and free sample of Litchfield Official Bags

Purchase bags at local retailers (most up to date list of stores can be found on website)

Tall/Kitchen: $**5.25**/Roll of 5. **Large**: $**8.75**/Roll of 5.

Separate food scraps, recycling, and trash at home. Visit the website for tips to make it easy!

The more you can reduce, re-use, and recycle, the less you waste.

The less you waste, the more you save, by using fewer Save As You Throw Bags!

Drop off trash, recycling, and food scraps in one stop at the Recycling Center.

72 Little Pitch Rd. Litchfield, CT
7am-3pm Tuesday-Saturday
