2. Approval of Strategic Planning Committee Special Meeting Minutes of May 12, 2026

3. Draft Board of Education Goals

Kara Cruoglio opened the meeting by providing historical background on past meetings and how the Committee arrived at this point. She noted that the plan for the meeting was to review and finalize the four proposed Board of Education goals and measures of progress before bringing them to the full Board of Education for potential adoption.

The members made a minor edit to the first goal, *Programming/Curriculum and Instruction*. There were no changes to goals 2 and 3, *Multi-Tiered Systems of Support (MTSS)* and *Climate, Culture, and Family & Community Engagement* respectively. There were no changes made to goal 4, *Operational Efficiency & Long-Term Fiscal Sustainability* though, there was an added measure of progress relating to a “clean” audit (language to be finalized).

4. Discussion and Possible Action of Board of Education Goals

There was consensus that these four goals will be brought forward to the full Board of Education in June, “with origin story” for potential adoption.

5. Adjournment There being no further business to come before this committee the meeting adjourned at 6:58 p.m.

Respectfully submitted,
