### Request for Proposal

The Town of Morris is currently accepting proposals to install a stand by propane fueled generator and associated equipment of sufficient size to adequately provide emergency power to all electrical systems at the Morris Community Hall, 3 East St. Morris, CT.

The work shall include installation of generator and pad, propane hookup, installation of a ASCO 400 amp 3 pole, 120/208 volt transfer switch (indoors), all permits and inspections, startup service to validate generator warranty.

All work will be performed to applicable codes including all State of Connecticut and National Electrical Codes. All respondents shall be fully licensed and insured in the State of Connecticut to perform said work. Applicants may make an appointment to inspect the current electrical equipment and electrical load to determine proper generator size by emailing the First Selectman @ [1stselectman@townofmorrisct.com](mailto:1stselectman@townofmorrisct.com) or calling 860-567-7431.

Proposals shall be emailed to [1stselectman@townofmorrisct.com](mailto:1stselectman@townofmorrisct.com)

Proposals shall be submitted no later than noon on April 16, 2021.
