Special May 2022

A special May 17, 2022 meeting was called to order by the chair at 9:00 am downstairs in the Community Hall. Present were Doreen Gagnon, Connie Trolle, Clif Wheeler, Robin Viola, and Mike Doyle.

Old Business

Application 22-14 from Diane Kenton Flynn and Lynne Kenton Capecelatro to repair a lake edge retaining wall and boat launch at 354 Bantam Lake Road was considered. The site was visited yesterday, meeting with the contractor. The contractor will use special concrete designed to be used in contact with the lake. The lake is low now, and he can begin the work in two weeks. On a motion by Connie Trolle, seconded by Robin Viola, it was **VOTED** unanimously to approve this application for repairs to an existing wall and existing private boat launch as allowed by our regulations.

Other Business

There was no other business and the meeting was adjourned at 9:05 am.

Respectfully submitted,
