- Treasurers report: Kathy provided final 2025 p and l. Loss of 10,581. Cash on hand: 4,446. Kathy forwarded all financial statements to both Litchfield and Morris Town Halls. She pointed out that we are required to provide copies of all insurance policies also; Kathy will forward Workman's Comp policy. As per MOU, towns are to provide SBC with copy of insurance policies annually too. Ed addressed the 2026 budget request form from Litchfield. No communications from Morris. He requested same funding with caveat : Commission to go back to boards of selectmen if we need additional monies. Lengthy discussion between Commissioners about running the beach at a loss for the last several years is not sustainable. Ed will go back to Litchfield to request in increase in funding for SB operating costs. (Minimum wage has increased again!) Group believes we'll need between 20-50k. SBC has not asked for an increase in municipal funding in excess of 15 years. Denise suggested a request to Seherr -Thoss, however, our immediate need is not for a capital project. Ed to report back.
