Denise Raap is willing for her office to help with grant writing if needed.

Reviewed the proposed budget and previous year's budget.

Denise Raap is willing to help with marketing/pass sales

Tom Weik is comfortable with the way Morris has come to the beach to help with mowing and clean up. It is difficult to schedule in the long term so it is best to plan week to week.

Litchfield Public Works has been beneficial in the past for getting the beach ready for the season.

The commission is currently using a website, email, phone and Facebook/Instagram.

The Board of Finances will contact us in March.

Adjourned at 5:15PM.
