1. Lee and Renee worked on the NRI report. It is a non-editable PDF. Joe, reviewed the technical deliverables, the Excel spreadsheet of the NRI master list of what exists in town, the survey with tutorial resides in Google Forms (which we agreed at our last meeting to rename the Barkhamsted Natural Resource Sighting) , and the AppGEO approved data. All will be delivered to us via email the evening of 8/5. We will review and hold a special BCC Zoom meeting on Monday 8/16 at 7. Lydia and Ginny will give all updates to the students by 8/18 and cc Crystal Wiggins and Professor Williams. Several BCC members were concerned that we will not be able to update the NRI report.
