3. Old Business

Resource List – NCCC students are updating the NRI and Resource Sighting form with our edits, funded by an FRCC grant. They expect to have them revised before our December meeting. Ginny will email them to us for review as soon as she receives them.

Ginny believes the annual map update to AppGeo is usually the end of the year, but we may have a bit of leeway.

Discussion of how to roll it out to the public; Town email, FB, flyer, public zoom meeting, etc.

Don is writing a thank you to the students and Ginny will write one from the BCC.

Riverton Fair – Ginny reported there was a lot of interest in our table. The Species lists were handed out.

4. New Business

TPZ meetings – to be assigned as they come up.

We will think about possible projects and focus areas for next year.

The Earth Day Nature Celebration will be April 24, 2022.

We can also think about how to attract 2 alternates to our BCC.

5. Motion to adjourn : adjourned at 7:19 PM

Respectfully submitted, Linda Pulford
