4. Old Business

Sustainable Connecticut

Judy Doyle will call Katie to get an update from her. Judy got more information regarding whether projects by FALPS, the GRANGE and the LIONS would count. Yes, if those projects are documented in our minutes as being a Sustainable incentive. Dawn will work on the equity section. Judy is working on Affordable housing. We will get clarification from Katie on which 12 items she may have identified.

Starting next month, we will add an agenda item to record and document projects which could help with our incentives.

Natural Resource Inventory

Document is ready and the professor is reviewing it. Then it will come to us for review. Judy will work on getting it up and running.

Riverton Fair

Topics to address: Water Usage, Carbon Footprint, Recycling, mouse in the house. We will use hand outs, posters, seeds, etc. We also can work towards Sustainable CT points.

Linda has not been able to reach anyone at RRDD1 to locate a speaker on recycling. Ginny will ask them for their recycling hand outs. We will also continue to pursue getting a speaker.
