

Tax Office Information

As we fast approach the final day to pay taxes without a penalty, I want to take a moment to update the ways to pay. The last day to pay is Friday, August 1, 2025. Town offices are all closed on Fridays, however, the tax office only will be open 9:00 – 12:00 to take payments. No adjustments to bills will be done that day.

The tax office does not take credit or debit cards. We only take cash or checks. When making out a check, please be sure the date, numeric portion, written portion and signature are correct. If your check is not correct and we cannot reach you for a correction, you will be responsible for the late fees.

You can mail payments up until the close of the postal business day on August 1st. Send payments to Barkhamsted Tax Office, PO Box 195, Pleasant Valley, CT 06063-0195. If you are mailing your check on Friday, you may want to have the envelope hand cancelled to assure it is postmarked on time.

You can also pay online up until 11:59 PM on August 1st by going to www.barkhamsted.us and clicking on the “pay your taxes” button. This will take you to a search screen and the most used is to input the last name and first initial for everyone you are making a payment for and click the Due Now button. Put what you want to pay in the cart and proceed to the checkout. When you get to the payment screen, you will have a choice with the dropdown menu and if you use a check, the fee will be \$0.95. Other forms of payments will have a fee of 2.99%.
