 - B. [**Action Anticipated**] [National School Lunch Program’s \(NSLP\) Healthy Food Certification](#): Pursuant to C.G.S. Section 10-215f, the Canaan BOE certifies that all food items offered for sale to students in the schools under its jurisdiction, and not exempted from the Connecticut Nutrition Standards published by the Connecticut State Department of Education, will comply with the Connecticut Nutrition Standards during the period of July 1, 2026, through June 30, 2027. This certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources, including but not limited to school stores, vending machines, school cafeterias, culinary programs, and any fundraising activities on school premises sponsored by the school or non-school organizations and groups.
 - C. [**Action Anticipated**] Pursuant to voting Yes to above, the Canaan BOE will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards provided that the following conditions are met:

1. the sale is in connection with an event occurring after the end of the regular school day or on the weekend;
2. the sale is at the location of the event; and
3. the food items are not sold from a vending machine or school store.

An “event” is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events but soccer practices, play rehearsals, and debate team meetings are not. The “regular school day” is the period from midnight before to 30 minutes after the end of the official school day. “Location” means where the event is being held and must be the same place as the food sales.
