**e. Selectmen's Report**

The First Selectman reported heavy winter-related overtime and material use but noted sufficient budget reserves.

## **7. Old Business**

### **a. Board of Finance Policies**

Member Wynn reported continued work to compile Board of Finance policies, including review of the \$20,000 allocation practice, Town Meeting requirements, and the Board's tradition of involving alternates. Wynn is consolidating historical input and developing a new Procedures section outlining the Town's budget and planning processes. Members will review shared materials, and the Board agreed the work would be incremental.

### **b. Capital Plan**

Member Wilson presented updates to the Capital Plan request form, including added fields, improved dropdowns, and potential future restructuring. The Board agreed the revised PDF is usable for this year, with larger refinements to follow. Members discussed exploring an online version in future years but will continue with the PDF for now. The Board emphasized the need for consistent departmental submissions to support a multi-year capital plan and acknowledged that manual compilation may be necessary this cycle. Coordination with the Selectmen will ensure the plan functions as a shared, annually updated document. Members also highlighted the importance of capturing long-term capital needs across all categories. The Board supported engaging Region One to understand its long-range capital plans and their potential impact on the Town.

### **c. Annual Audit RFP (FY 2026–2029)**

Responses are due by February 13, 2026.

## **8. Suspense Items**

None

## **9. New Business**

### **a. Banking Update from Treasurer**

Treasurer Michelle Hansen provided updates regarding new accounts being opened with Litchfield Savings Bank:

- A STEAP Grant Account to consolidate all STEAP-related transactions
- A Bridge Account to hold the previously allocated funds for bridge work
- A money market analysis (sweep) account

All accounts will be auditable and compliant with ACH requirements.

## **10. Other Business**

The First Selectman announced that Cardinal Engineering will present at a special joint meeting in February to review bridge and roadway conditions, state evaluation findings, and long-term recommendations. The date will be set once materials are finalized. Due to the length of the presentation, it will be held separately from the regular February 9 meeting. Auditors are also expected to meet with the Board in February.

## **11. Public Comment**

A member of the public clarified that rules governing appropriations, expenditures, the \$20,000 threshold, and related penalties are set by state statute rather than local policy. These statutes override local practices. Assistance in locating citations was offered to Member Wynn.

## **12. Adjournment**

**Motion to adjourn the meeting at 7:44 PM.**

- **Motion: Downs**
- **Second: Wynn**
- **Vote: Unanimous**
