

The contact for the website assistant is:

[website@canaanfallsvillage.org](mailto:website@canaanfallsvillage.org)

The website assistant assists the Selectmen in updating the website. Responsibilities include uploading appropriate documents, creating events, updating the boards and commissions as changes are needed, maintaining the calendar, etc.

The goal is to provide an accurate and informative website while at the same time, keep the community informed.

It is a work in progress. But, each day, progress is made.
