Dear POCD Partners and Leaders,

The Planning and Zoning Commission has recently formed a Subcommittee to oversee the implementation of the current POCD.

As Chair of this Subcommittee, I'd like to extend an invitation to you to attend a

**POCD information sharing presentation on May 28<sup>th</sup>, 2025 at 6pm at the Senior Center in the village.**

The committee wants to discuss strategies and guidelines for implementing the POCD and present a digital tool, on the Town website, that we've created to be able to view the progress of the POCD being implemented.

Designated individuals from each Board and Commission will be able to add progress reports for completing the "action" items shown for each Town Board and Commission in Falls Village.

The presentation will be open for discussion, questions and answers, and should last about an hour. As you may know, the POCD is a state mandate, required of all CT cities, Towns and Municipalities. Let's work together to preserve the integrity of Falls Village.

Kindly RSVP to my email address at your earliest convenience. Thank you in advance!

Best regards,

*Doug Cohn*

Chair- POCD Implementation Committee

Hi Doug,

Our next Fire Commission Meeting is

May 14 and we will see who will volunteer to attend the meeting. Unfortunately I will not be able to attend.

Best regards,

Hazel

Good morning!

The POCD Implementation Sub Committee, established by the P&Z Commission, has been diligently moving forward with our charge of overseeing implementation of the current POCD (on the town website under the P&Z). We meet regularly to update and register our progress and need your support to do the same for your board or commission.

We have established a POCD "workbook" (on the town website under P&Z) with strategies and guidelines to assist with community priorities.

We would like to get any feedback and or updates that you may have for your designated group.

Please take a moment to open the workbook and the review the action and policy items assigned to your Borad/Commission by the voters.

The document can be read but not edited, so if you have information to add into the workbook, we ask that you contact our committee member and Editor,

Kim Mahoney at [planningandzoning.mahoney@gmail.com](mailto:planningandzoning.mahoney@gmail.com). She will work with you to update your information.

If you need help, please feel free to reach out to the Sub Committee and you are always welcome to attend our meetings if you can.

Please let us know how we can help and when would be convenient to be added to your agenda and be part of one of your upcoming meetings.

As a reminder, implementation of our POCD is a state mandate which requires our participation.

Thank you for your attention to the POCD.

We look forward to hearing back from you about a time to meet with you.

Best regards,

Doug Cohn, Chair POCD Implementation Cmte
