Motion to approve the minutes as submitted from March 17th, 2026 meeting made by Melissa D., 2nd by Bob M. All Ayes, minutes approved unanimously.

Old business: None

New Business:

Chairman updated Commission members on the documents from CT DOAG on the Agricultural Enhancement Grant Award that were received and forwarded to the First Selectman's office. The Chairman also updated the Commission members on the farms that have completed all the information required for the Farm Map Project, farms that have expressed an interest in participating but have not submitted all their information, and farms that have been discussed but have yet to reply.

Susan C. discussed the word count from the participating farm's information submitted and how it may not all fit on the Farm Map's layout. It was suggested that maybe the digital version may be able to contain more information than the printed Map.

Susan C. updated Commission members on possible Durham Agriculture Commission logos for the Farm Map.

Motion to adjourn made by Matt D., 2nd by Warren H. All Ayes. Meeting adjourned at 8:03.
