

SELECTMAN'S OFFICE

Durham, Connecticut

January 21, 1971

*
The Selectmen met while making voters. They paid bills and received a letter from ~~a Representative concerning a bill asking for reimbursement~~. The Clerk was instructed to answer the letter, stating that we were interested, if the decision to spray is made by the Town.

The Cemetery Committee met with the Selectmen concerning the new land recently purchased for the new Cemetery on Mica Hill Road. Mr. Waller made a motion that the present Cemetery Committee be empowered to operate the new Cemetery. Mr. Davis seconded the motion and it passed unanimously. There was a discussion concerning the price of lots, the work to be done to get the land ready to use, and the maximum time that the old Cemetery would be completely filled.
