

SELECTMAN'S OFFICE

Durham, Connecticut

February 12, 1970

The Selectmen met and paid the bills. The problem of cars being parked on Town roads was discussed. It was suggested that residents that have slanting driveways contact the First Selectman to obtain sand so that when they get their driveways shoveled they can sand them and get their cars off the road.

A letter from the State Public Records Administration was read concerning a new vault for the present Town Hall. This will be needed in five years.

They adjourned until February 19th. at 6:00 o'clock P.M. at which time they will make voters.

Blady C. White
Clerk
