

SELECTMAN'S OFFICE

Durham, Connecticut

February 14, 1967

The Selectmen met at 7:00 so that Mr. Curtis, Mr. White and Mr. Coe could talk to them about the water problems. It was agreed to continue their study to find out how many acres would be available to the town and also to try and get some figures on cost so that a Town Meeting could be called. Then the Selectmen held their meeting and paid all the bills. They are going to work on the budget Thursday night when they make voters.
