

SELECTMAN'S OFFICE

Durham, Connecticut

March 4, 1964

The Board of Selectmen met and paid the bills. They discussed the dump and what could be done to keep out non-residents. They agreed to make voters on March 20, 1964 from 6:00 to 8:00. Mr. Markham brought with him the figures on what children want jobs in the Summer or for the future. The Board of Finance sent a letter that Mr. Abell has resigned and Mr. Pettes has been appointed with the A.V.M. to check on voting machines for \$ 70.00. They made a list of names of people to contact and see if they were interested to try to help the children get jobs when school gets out. Mr. Markham is going to contact the people and report back to the Selectmen when they make voters.
