

SELECTMAN'S OFFICE

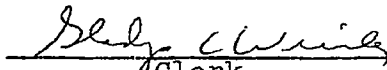

Durham, Connecticut

March 28, 1968

The adjoined Selectmen's meeting was held at 6:00 o'clock P.M. as they were also making voters. They were very busy due to the referendum which will be held Monday for the second time on the Regional School Question.

They paid a few bills and Mr. Stender made a motion that the Recreation Committee question be tabled until our next Selectmen's meeting on April 9, 1968. Mr. Vance and Mr. Stender are going to meet with Town Counsel concerning the matter before the meeting. Mr. Stender also made a motion that the State Traffic Commission make a speed check on Maiden Lane, from Main Street to Wheeler Hill Drive, and on Tuttle Road, from the Wallingford Road to Parmelee Hill Road. Mr. Vance seconded both motions.
