The Selectmen held a Special Meeting on April 29, at 8:00 p.m. to designate which affected areas of property in the Town that could be sprayed for Gypsy Moths. The Board of Finance approved \$ 6,000.00 for the project. This is to include the interest to be paid with the principle. They tried to cover all the areas that effect the homes.

They discussed the call for the Town Meeting to be held on May 10th. and Mr. Davis wants to include the motion to set up the Interlocal Refuse Study Commission.
