Mr. Gregory Curtis, First Selectman
Town Hall
Durham, Conn. 06422

Dear Greg,

I am writing to you as a follow-up to our phone conversation in which we discussed the additional appropriation of \$38,000, by district vote, to be applied to the deficit of past years. It is my understanding as a result of that conversation, that you are in agreement that the amount of \$23,601.80 be added to the June 1 assessment.

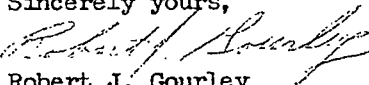

I would also request that the GTB money, shown in the May, 1977 budget as a receipt, be transferred at that time.

Shown below is an itemized breakdown of the June 1, 1978 assessment:

Original assessment	\$148,755.00
Special appropriation	23,601.80
GTB receipt	<u>26,650.00</u>
Total June assessment	\$199,006.80

Should you have any questions concerning these figures please get back to me.

Sincerely yours,

Robert J. Gourley
Administrative Assistant
