

SELECTMAN'S OFFICE

Durham, Connecticut

May 11, 1965

The Board of Selectmen met and had various groups with problems. Mr. Richard Parmelee and Mr. Charles Loveland came to see if anything could be done about Shady Lane. Mr. Stender suggested that no action be taken until the Selectmen take a look at the road before they make any decision. They left and then Mr. Spencer and Mr. Zahkowski spoke of the work that was done on the Higganum Road in front of his property by Mr. Spencer . He had received permission from Mr. Wimler to drive on the town road and now they want the Town to pay Mr. Spencer for his work on the bank. Mr. Zahkowski did not intend to pay for this work but Mr. Spencer did not know this. The Selectmen agreed they could not pay Mr. Spencer. They agreed to let the School have the voting machines for Student Elections and they can let the machines stay at the school for the June 15th. Election.

Shady C. Wimler
Clerk
