

SELECTMAN'S OFFICE

Durham, Connecticut

May 27, 1965

The Selectmen held a Special meeting due to the fact we received a petition for a Special Town Meeting to recind the motion to Buy the White Property. Due to the State Referendum and all school activities and etc. it was agreed to hold the meeting on June 15, at 8:00 o'clock. We went over the roads that should be fixed in twenty years and the following were decided on: Higganum Road #1, Howd Road #2, Haddam Quarter Road #3, Tuttle Road #4, Sawmill Road #5, Maple Ave. Road #6, Maiden Lane #7 and Stagecoach Road #8. Mr. Stender was given permission to paint the flagpole and trim the shrubs around the Honor Roll.
