

SELECTMAN'S OFFICE

Durham, Connecticut

June 11, 1969

The Selectmen met and paid the bills. Then they went over to Side Hill Drive and Fowler Ave. to look at drainage problems.

Mr. Stender moved that the Town put pipe and catch basins on Fowler Ave. as soon as possible. The Selectmen recommended that the pipes on Side Hill Drive be cleaned out and the ditch opened. Then the men from Side Hill Drive came to the meeting to discuss their road and the Selectmen agreed to go back to their road at 8:30 A.M. on Saturday if possible.

Mr. Vance brought the picnic area and the cemetery land up for discussion.

Mr. Stender told the clerk to ask Mrs. Hatch if she would serve on a voluntary Air Conservation Committee on a local level.

They adjourned until the 26th. of June at which time they will make voters and sign final checks for the year.
