

SELECTMAN'S OFFICE

Durham, Connecticut

June 11, 1970

The Selectmen met and paid the bills. Mr. Stender made a motion, seconded by Mr. Wimler, that due to the increased use of constables for various Town functions and to the fact that many constables are employed in the evening, another Special Constable be appointed.

Mr. Kerschner made a motion that the Selectmen recognize and approve that a committee, composed of Ira Kerschner, Gaylord Newton, Carl Otte, Sydney Williams, David LeVine, Myra Korn, Gladys Wimler and Keith Hutchinson, being interested citizens, are working toward bringing the History of Durham up to date. He also moved that the committee be given permission to reproduce and reprint the present Durham History, without cost to the Town. Mr. Wimler seconded the motion.

Mr. Pearce was present and discussed various equipment for the Constables and Civil Defense members which can be obtained for the Town at no cost. He is going to investigate the situation and report back to the Selectmen.

They adjourned at 9:30.
