SELECTMAN'S OFFICE

Durham, Connecticut

July 16, 1970

The Selectmen met while making voters. Mr. Stender made a motion that the Town make preparations for parking for the Rock Festival, and that we should contact Middlefield regarding the cleaning up of the areas afterward.

Mr. Kerschner thought that the Town of Middlefield should make a written request for additional parking facilities and also agree to pay for cleaning up the parking areas afterwards. Everyone agreed to this. A Committee was appointed to be called upon to assist with the parking and other problems connected with the Festival. They are to be notified immediately of their appointments and told that they will be contacted soon for a meeting. The Committee is to be composed of a member from Planning & Zoning, a member from the Board of Finance, the Building Officer, the Director of Civil Defense, the Fire Cheif or Assistant, the Health Officer, Carl Otte and Gregory Curtis. The First Selectmen stated he has had meetings with various agencies which are going to help the Town if the occasion should arise that we need help. The Clerk was instructed to make arrangements for necessary signs to be used in various locations.
