

SELECTMAN'S OFFICE

Durham, Connecticut

July 24, 1969

The Selectmen met to make voters and paid some bills. They met at 8:00 with members of the Zoning Commission and the Planning Commission to discuss combining the two Boards. Everyone agreed it would be better for the future of the town and they decided to ask the Town Attorney to draw up the legal notice and resolution. They agreed upon a nine man board, with 3 year terms. If the attorney can have the papers ready by Tuesday night, the three Boards will meet together again at 8:00 at the Town Hall for final consideration.
