

SELECTMAN'S OFFICE

Durham, Connecticut

August 6, 1964

The Selectmen met and paid the bills. They agreed to make voters on August 28, at night. Mr. Markham made a motion that we contact Mr. Adorno to institute a Town ordinance to establish a Development Commission and a Redevelopment Commission to act in a dual capacity. Our Development Commission is not acting legally at the present time and must be changed.

Shady C. Wink
Clerk
