# SELECTMAN'S OFFICE

## DURHAM, CONNECTICUT

August 12, 1971

The Selectmen met at the Town Hall and paid the bills. The offices for the Selectmen have been built on the first floor of the Town Hall and flooring has been installed. Prices for furniture were discussed.

The Selectmen agreed not to pay the total amount of the Probate Court bills for the year until it is determined what the other towns involved will pay for the year.

The Clerk was instructed to contact Peterson Oil Co. with regard to purchasing oil for the Town Hall for winter at their bid price.

The Selectmen agreed on the speed limit to be set on Haddam Quarter Road by the State Traffic Commission at 30 miles an hour.

The Selectmen voted to send a letter to Mrs. Wolak on Maiden Lane stating that they felt that the Town cannot undertake responsibility for damages incurred while a road is under repair and is so labeled.

They went over the complete lighting system for the roads to determine which intersections need the next lights that are in this year's budget.

They adjourned until August 26th. at 6:00 P.M. at which time they will make voters.
