

SELECTMAN'S OFFICE

Durham, Connecticut

August 28, 1969

The Selectmen met while making voters. Mr. Stender made a motion that Mr. Joseph Planeta be appointed ^{Local Deputy} ~~Assistant Fire~~ Marshall. Mr. Vance seconded the motion. Then they discussed the fact that Mr. Ronald Arena was not an elector at the time he was appointed an alternate member of the Planning & Zoning Commission at the August 25, 1969 Town Meeting. The Clerk was instructed to send a letter to Mr. Arena and the Planning & Zoning Commission informing them of the fact.

Mr. Stender made a motion that the Clerk get prices on chairs for the Town Hall because we have been holding our Town Meetings in the Town Hall and there aren't enough chairs for anyone to hold a meeting at the same time.

They adjourned at 8:00.
