

SELECTMAN'S OFFICE

Durham, Connecticut

September 10, 1970

The Selectmen met and paid the bills. Included were the checks for the constables who worked during the Rock Festival in Middlefield. They would like to thank all who worked and also particularly thank those who donated their time and those who have indicated that they will return their checks.

The Clerk reported that she has received a letter from the Agricultural Experiment Station stating that they will make a survey for gypsy moths this winter and let us know the results as soon as the survey is completed.

Mr. Kerschner reported on a meeting that he attended of a Regional Council of Elected Officials.

Due to the death of Mr. Stender the meeting was attended only by Mr. Wimler and Mr. Kerschner. They adjourned to a future date.
