SELECTMAN'S OFFICE

Durham, Connecticut

September 12, 1967

The Selectmen met and paid the bills. Mr. Robert Grier from the Hartford Electric Light Co. came and spoke of changing the lights in Durham for about $ 1500.00. It would mean 40 extra lights for the Town, some on Main Street and some at various spots around the other roads. Mr. Grier is going to discuss it with his Superior and report back to the Selectmen again. The Intersection at Fowler Ave. and Main Street was discused as a letter was received from the Durham Grange concerning the traffic problems there. The Clerk was instructed to send a letter to the State Traffic Commissioner requesting a conference about it. Mr. Pearce had asked to have the matter of the Building Officer's fees reconsidered and placed in the next town meeting. Mr. Stender is going to check with the Town Attorney concerning the fee situation before any action is taken at a Town meeting.

The coming Election was discussed and mention was made of the good relations enjoyed for the past four years by the present Selectmen.

Gladys C Winkley
Clerk
