

TOWN OF DURHAM

Connecticut 06422

BOARD OF SELECTMEN'S MTG.

September 13, 1979

Present: Lewis G. Hinman, Selectman; Gregory G. Curtis, First Selectman.

The minutes of the September 6 meeting were approved. 2-0

The financial report was reviewed.

Appointments to the Recreation Committee with terms to expire on November 30, 1979, were as follows: Mary Ann Holder; John H. Stahl, and Olive Wysocki. 2-0

A request was reviewed from the Middlesex County Transportation Inc. for a cash appropriation of \$3,000 to continue transportation services to the elderly -- or be cut off on October 1, 1979. Since the services of CETA employee, Harry Tiedemann, will be terminated on September 30, the Board of Selectmen voted to recommend to the Board of Finance an appropriation of \$3,000 to continue transportation services until the end of the fiscal year, June 30, 1980. 2-0

Voted to bring to a town meeting a request by D. Arrigoni for a 25 foot right of way along the north boundary of the recently acquired town garage property. 2-0

Voted to close the town hall at 12:00 noon on Friday, September 28, to avoid conflict with the Durham Fair. 2-0

Voted to install a traffic bump about midway in the Old Wallingford Road at the request of Thomas Seifert. 2-0

Betty Wakeman arrived at the meeting at 8:45 P.M.

Voted to request a permit from the Inland Wetlands and Water Courses Agency to fill the north side of Parmelee Hill Road for a distance of about 20 feet and a distance along the road of 350 feet. This fill was so that spectators of the soap box derby would have a place to stand; it would also make the road safer.

Executive Session: voted to grant an annual 15 days vacation leave (instead of 10 days) to the position of Town Engineer. 3-0

The meeting was adjourned for a meeting of the Water Pollution Control Authority at 9:00 P.M.

Respectfully submitted,

Lewis G. Hinman
