

SELECTMAN'S OFFICE

Durham, Connecticut

September 23, 1968

The Selectmen had a short special meeting at 8:00. They appointed Mr. Robert Francis, Mr. Charles Stannard, Mr. Elijah Vance, and Mrs. Francis Korn to the Historical District Study Committee. The Planning Commission is to send one name also after their next meeting.

They appointed Mrs. George Gulielmetti to the Library Board to replace Mrs. Warner. They voted to approve of the appointment of Mr. Joseph Suchanek as Building Officer and the Clerk was instructed to write to the Building Code Board and tell them they approved of a fee starting from \$ 350.00 to \$ 500.00 for \$ 3.00, \$ 501.00 to \$ 1,000.00 for \$ 4.00 and \$ 4.00 for each additional thousand or fraction thereafter. They also approved of the fees and inspection being waived by the Dept. on a Public Building when the Town appoints a Committee or Commission to oversee the construction. The Building Code Board recommends that the Salary of the Officer be \$ 2,400.00 and that he have room for an office in the Town Hall.

Also discussed was the map for the property at the Brewster School. The boundries are not measured off and this should be done before everything is turned over to Regional District # 13. Mr. Stender is going to talk to Mr. Bascom about the cost. The Board of Finance has already allowed \$ 800.00 from the Contingency Fund for mapping.

They discussed the letter from the State Traffic Commission concerning the proposed stop light at the intersection of Route 68 and 17. The State says that we do not need a light as there isn't enough traffic and we have not had the required number of accidents.
