Special
Board of Selectmen Minutes
September 25, 1973

Present: Ira N. Kerschner
A. Reed Hayes
Joel N. Davis

Bills were paid.

The road construction was discussed. First Selectman, Ira N. Kerschner notified the Board that curbing material, ~~and~~ the recently paved roads was donated. However, the town will have to pay for installation. Curbing will be laid for some distance at each catch basin to direct the flow of water to the catch basins. Discussion was held concerning the clogging of the catch basins with sand, on the Higganum Road. We will hire "Wethersfield Sweeping" to clean the catch basins, and the pipes, then we can proceed with the erosion control work in that area.

The position of Road Foreman was again discussed, and no action taken, because several applicants are still to be interviewed.

The meeting adjourned at 8:35 P.M.

The regular meeting of Thursday, September 27th will not be held.
