TOWN CLERK

BOARD OF SELECTMEN'S MEETING October 7, 1982

The Board of Selectmen's meeting of October 7, 1982, was called to order at 7:37 P.M. by First Selectman M. Foster Mather; Board members present: Maryann P. Boord, Gregory G. Curtis.

Motion by G. Curtis to approve the minutes of the previous meeting of September 2, 1982; second M. Boord; 3 ayes.

A discussion was held relative to the weekly disbursements. Due to energetic investments by the Treasurer and high expenditures by the town, the September and October checks have been held up until a cash flow could resume, which the Treasurer expects to be November 1st.

G. Curtis reported that the Fair Association is studying the advisability of furnishing water to the Durham Center Water Company, which serves 38 homeowners. He suggested that the town check its own liability in this matter.

Correspondence:

From Peter Lowe - advising the Planning and Zoning Commission that the proposed name for the road in his subdivision is called Hi Lo Road;

From Margaret Cathey, noting the steady deterioration in Haddam Quarter Road Extension and requesting a more permanent solution to the problem.

Motion by M. Boord, second G. Curtis, to appoint Jane Mauro, Karol Paduch, and Margaret Yeomans to a one year term on the Jury Committee; said terms to expire October 1983; 3 ayes.

The First Selectman advised that the 7th Annual Motorcycle Rally will be held on October 10, 1982. He observed that an adverse comment to the event was mentioned last year, but he could not recall what it was.

The First Selectman asked for comments or questions from the Board. M. Boord advised that the cat problem (Ferguson/Harvey) has been settled due to the death of the cat. G. Curtis relayed a message from J. Richard Taylor that heavy lumber trucks are using Fowler Avenue and he wished the activity to be controlled. F. Mather explained that nothing can be done to prevent intratown trucks from using a town road.
