

SELECTMAN'S OFFICE
Durham, Connecticut

November 10, 1965

The Selectmen had to postpone their meeting to the 10th due to a blackout of the entire East Coast. They paid all the bills and made two appointments. One was Rev. Fell to the Recreation Committee and Mr. Carroll Campbell as surveyer for the Frederick White Property. Mr. Stender talked about the Skating Property and they discussed the appraisal work and the Tittle Search for the White Property. Mr. Markham offered to appraise the property for \$ 1.00 and they are going to see if they can find someone else also.
