

SELECTMAN'S OFFICE

Durham, Connecticut

November 12, 1969

The Selectmen met and paid the bills. They decided on the 24th. or 25th. from 6 to 8 as their voter making session, depending upon everyone's availability to attend. They discussed the Industrial & Development Commission. Mr. Stender made a motion that the appointment of a member of the Durham Industrial & Development Commission be tabled until they meet with them. Mr. Kerschner brought up the subject of a Constable for the Skating Rink. It was suggested that a regular constable be used if possible. He also spoke of needing clean fill and hoped that anyone with any spare fill would dump it on the East and South side of the rink. Then he brought up the subject of training our Constables and Mr. Stender made a motion that the Clerk write to Commissioner Leo Mulcahy and request training for the men. The Clerk reported she had contacted Westbrook Barracks twice concerning training and had been told each time that the Barracks do not do this type of training. The Guilford Police Dept. are sending a Policeman the second week of December to give a course on vandalism. Mr. Stender suggested that the Clerk call the various committee's and Commissions concerning meetings with them. They adjourned until the November voter making session.
