

SELECTMAN'S OFFICE

Durham, Connecticut

November 12, 1970

The Selectmen met and paid the bills. Mr. Richard Parmelee, Mr. Adam Mitchell, Mr. & Mrs. Wilkinson, their son and their Lawyer, and Mrs. Hatch all came to the meeting to sign the final papers for the Development Land, east of Route 157 near the railroad tracks.

Mr. Kerschner spoke on the Regional Selectmen's meetings that he has been attending and he brought the minutes of the meetings.

The Selectmen received a request from Mr. Churchill, Chairman of the Planning and Zoning Commission for a room for the storage of their maps and records. It was discussed and plans were made to have the Advisory Committee and Mr. Churchill meet with the Selectmen when they make voters on November 19th.

A letter was received concerning lights at the Korn School. During the voting hours it was dark in the parking lot.

The problem of children walking on Maiden Lane to school is very serious and the Selectmen are going to look at the road this Saturday when they look at Faddam Quarter Road east of Johnson Lane.

The question of winter maintenance was discussed and it was agreed to purchase more salt than we did last year.

They adjourned until the voter making session on Nov. 19th.
