SELECTMAN'S OFFICE

Durham, Connecticut

November 14, 1967

The Selectmen met while they were making voters at the Durham Town Hall. They paid all the bills. Mr. Vance suggested we write to the State Traffic Division requesting cross walks at the Durham Churches. In reply to Mrs. Hatch's inquiry concerning the examination of the Indexes of the Land Records of the Town of Durham for the year 1967, the Selectmen agreed that she is to ask the Board of Finance for an appropriation of approximately $ 200.00 to do the work. This is required by State Statue. Mr. Charles Stannard came to the meeting to talk to the Selectmen about the Sabbath House and where it should be placed permanently. They also discussed making more storage space for the Town Clerk and the painting of the Hall. Mr. Vance gave the Selectmen literature from an Election meeting he attended.
