

SELECTMAN'S OFFICE

Durham, Connecticut

December 8, 1969

The Selectmen paid the bills. Mr. Stender was not present. The Selectmen made a motion that Attorney Karbel's letter of Dec. 4, concerning the property of Mr. Guilio S. Giuffrida Jr., be answered with a letter stating that Green Lane is considered to have been abandoned by the Board of Selectmen.

The Recreation Committee would like a portion of Town-owned property to be used for various Scouting Groups. It was suggested that these groups look at the Pent Road property and the Dunn Hill property and then it was voted that either portion would be available to them. This is to be approximately five acres for their activities.

The motion to hold the Selectmen's meetings at the Town Hall was tabled until the March meeting, due to the fact that office facilities are not available at this time and also that with the possibility of winter storms occurring it would be better for the First Selectman to be at his own office.

The Town equipment was discussed with thought given to the possibility of getting more Civil Defense trucks for sanding.

The Constables are having a training session with a police officer from the Guilford Police Dept. on Thursday night at the Town Hall at 7:30. A letter was received from the State Police Dept. confirming the fact that it is not their policy to train constables in towns without a resident State Trooper.

A motion was made that Guire Road be approved by the Selectmen.

The Question of snowmobiles being used at the White property was turned over to the Recreation Committee for them to check on the Insurance problems.

The next Selectmen's meeting will be held on January 12th. at 8:00 if possible.

The Advisory Committee to the Selectmen that met last week was attended by Mr. Robert White from the Conservation Commission, Mr. Ira Kerchner from the Recreation Committee, Mr. Louis Reskin from the Development Commission, Mr. Wm. Churchill from the Planning & Zoning Commission and Mr. Maynard Stender from the Board of Selectmen. At this meeting they discussed the new office space that is to be made available in the Town Hall.
