

SELECTMAN'S OFFICE

Durham, Connecticut

December 10, 1970

The Selectmen met and paid the bills. The cost of checks for the Selectman's Office was discussed. It was agreed to pay half of the cost.

Members of the Recreation Committee attended, Walter Camp, Walter Gregg, and Helmuth Brown. They are concerned with the cost of bringing electricity across the Regional School property to the Tennis Courts and Pump House. The Selectmen agreed to write to the Hartford Electric Light to see if the price could be lowered. They are also of the opinion that two more members would help with the various activities. The Clerk is going to check if this is possible.

They adjourned until December 17th. at 6:00.

Blaise C. Wynn
Clerk
