SELECTMAN'S OFFICE

Durham, Connecticut

December 13, 1966

The Selectmen met and paid the bills. There was a large number, due to Election bills. A letter was read from the Board of Education concerning the polling place and all were in agreement that the Main Street High School Building was the best place. The recent dog problem which was in the paper, was discussed. They went home early due to the snow storm.

Gladys C Wright
Clerk
