Maryann P. Boord
First Selectman

M. Boord called the meeting to order at 4:40 p.m. at the Allyn Brook Park. Present: Maryann P. Boord, First Selectman; Francis E. Korn, Selectman; Robert F. Hall (arrived at 5 p.m.), Selectman; Patricia Curley (Recreation Committee Chairman), Jack Stahl (Recreation Committee member), Sherry Hill (Recreation Director), John Cerreta (Little League President), and Al Herzog (former Little League President and now the Director of the Farm League).

After considerable discussion, it was decided that the recreation storage shed will be constructed off the east side of the Little League booth. Sherry Hill, Recreation Director, will share office space with the Little League on the west side of the booth.

The location of the Farm League Field was discussed. There are liability concerns due to its close proximity to the newly-renovated Allyn Brook Park.

Al Herzog, Director of the Farm League, made a commitment that if there are no parents or coaches in the outfield, the game will be stopped.

Sherry Hill, Director of Recreation, agreed to monitor the coming season closing and readdress the situation for next year. This would allow Little League time to plan if it is determined that the field should be relocated for next year.

The Meeting adjourned at 5:10 p.m.
